SKITZO FONIK

TOP-40 POP MUSIC MADNESS

Skitzo Fonik has been developed with two principles in mind: that people fundamentally crave fun, catchy tunes; and that people enjoy being entertained. So with YOU in mind, we offer our own unique twist of a Live Music Showband.

We feature a high energy show with TWO incredible lead singers – one male and one female - fronting the band, and each can bring the house down every night on their own. We're equally fond of the other musicians involved, as they are truly incredible performers in their own right!

We cater the majority of our 3½-hour show toward performing contemporary dance hits because of their popularity (though we also happen to enjoy them ourselves), and we perform this style of music as well as anyone around. Our show features songs from the artists currently blowing up Pop Radio: Iggy Azalea, Meghan Trainor, Bruno Mars, Katy Perry, Pitbull, Pink, Maroon 5, Jason Derulo, Demi Lovato, Flo Rida, Rihanna, Ariana Grande, and many more. But we also playfully include some "guilty pleasure favorites" from decades past, artists such as Journey, Bon Jovi, and Michael Jackson.

It's all combined together to create a FUN MASHUP of new and old-school tunes. If dancing is your thing, you will be hard pressed to find an opportunity to leave the dance floor as we seamlessly weave the songs together one after the other. If watching a music spectacle is more up your alley, then sit back and enjoy the sights and sounds of Skitzo Fonik's dynamic stage show coupled with all the sexy people out on the dance floor from the comfort of your seat - with your beverage of choice in hand, of course! Whichever category you fall into, it all makes for the perfect evening of entertainment.

Adding to the festivities, we can also provide our own custom, state-of-the-art light show for a small additional fee. Many venues we perform in already have built-in production, so it isn't always feasible to bring our entire custom show. But when we can, you won't want to miss it! LED video screens, lasers, moving heads, LED pars and vision bars are just some of the "toys" we have available to choose from, and they allow us to bring the excitement of an arena-style show into even the most intimate of venues.

Skitzo Fonik has been built to appeal to literally everyone that enjoys live entertainment. Be it at a nightclub, festival, casino, or special private event, audiences of all ages will truly appreciate experiencing Skitzo Fonik in action!
